**DOMESTIC/FOREIGN INSURERS BULLETIN NO. 24**

**TO: ALL INSURERS PROVIDING HOMEOWNERS INSURANCE  
COVERAGE IN DELAWARE**

**RE: AVAILABILITY OF SURVEY MATERIALS RELATING TO  
REGULATION 704**

**DATED: February 28, 2007**

As you know, insurance companies with more than .01 percent market share in the homeowner multiple peril line in Delaware are required to complete a 2007 homeowners insurance rate survey, as stipulated by Regulation 704. Regulation 704 became effective on February 11, 2007.

A document with instructions, provisions for rating and the hypothetical consumer profiles to be used in the survey is now available by going to [www.delawareinsurance.gov/survey](http://www.delawareinsurance.gov/survey). This page also contains a list of companies required to complete the survey based on NAIC market share data. The page can also be accessed by going to the Department's home page at [www.delawareinsurance.gov](http://www.delawareinsurance.gov) and clicking on the link "For Companies: Rate Survey Instructions."

The deadline for completing the survey is April 15, 2007. Any questions, comments or requests for clarification about the survey and submission process should be emailed to [gregory.patterson@state.de.us](mailto:gregory.patterson@state.de.us). Thank you in advance for your effort in providing this useful tool to Delaware consumers.

This bulletin shall be effective immediately and shall expire on December 31, 2007.
